

BIKRAM PAL

Homepage
bp23msl09@iiserkol.ac.in
Ph. : +918001413516

DPS, IISER Kolkata
Campus Road, Mohanpur, 741246, India

EDUCATION

- 2023–'28 **Indian Institute of Science Education and Research Kolkata**, India
Integrated Master's in Physics
Birbhum Zilla School, West Bengal, India
2021–'23 *Higher Secondary Education*

RESEARCH INTEREST

Equilibrium and non-equilibrium statistical physics and physics of complex systems
eg. Intermittency in turbulence, critical phenomena and phase transitions and active matter.

PUBLICATIONS

2. A. Kankaria, **B. Pal** and S. S. Ray, Dynamical slowdown, bottlenecks, and multiscaling in Voigt-regularised turbulence. (*Preprint available upon request*)
1. **B. Pal**, Conductance fluctuations in random resistor networks with hyperuniform disorder. *J. Stat. Mech.* (2026) 053205

RESEARCH EXPERIENCE

- 2026– **Max Planck Institut für Dynamik und Selbstorganisation**, Göttingen, Germany
Mentor : Prof. Ramin Golestanian, FRS
Project : *Stability and optimization of numerical solutions of NRCH.*
2025– **International Centre for Theoretical Sciences**, Bengaluru, India
Mentor : Prof. Deepak Dhar
Project #1 : *Conductance fluctuation in random resistor networks* ([B Pal J. Stat. Mech. \(2026\) 053205](#))
Project #2 : *On entropy and stability of HDD phase of hard rods on lattice.* (*ongoing*)
2024–'26 **International Centre for Theoretical Sciences**, Bengaluru, India
Mentor : Prof. Samriddhi Sankar Ray
Project : *Scaling and bottlenecks in Voigt-regularised turbulence.* (*Preprint available*)

HONORS & FELLOWSHIPS

(ACADEMIC)

- 2026 Awarded the Max Planck School Matter to Life (MPS-MtL) Undergraduate Research Opportunity (URO) as one of the top 10 applicants globally.
2026 Awarded fully funded summer research fellowship at Max Planck Institut für Physik komplexer Systeme (MPIPKS), Biophysics programme.¹
2024–'26 Awarded NIUS scholarship (INR 130k+) by HBCSE-TIFR, Mumbai to support my research at International Centre for Theoretical Sciences Bengaluru.
2024 Awarded summer research fellowship to work at IIT Kharagpur.
2023–'28 Awarded INSPIRE fellowship (INR 80k per year) by Government of India.

(NON-ACADEMIC)

- 2026 Ranked #1 in *Decoherence*, a pan-India physics competition organized by IISc Bangalore
2025 Ranked #1 in *Abhiprajna*, a pan-India science Contest organized by IISER Tirupati.
2022–2023 Ranked #1 in multiple state-level debate competitions organized by Govt. of West Bengal.
